DUEL MASTER

TWO-PLAYER FANTASY GAMEBOOKS

Confront your challenger—face to face—in a thrilling fight to the death!

A DUEL TO THE DEATH

Experience the ultimate risk, playing sword with the Darkspiral
multi-player game system.

Discover whether to play the role of Archangel, a noble's son of
the holy church, or the villainous demon who corrupts the world.
Both are a lot like the one in the novel *Blackmail*.

Go to the end of the world to defeat the King of the Holy Church through the holy
spirit of the church in a dark, mysterious world.

Discover the secret of the world that will enhance your power and make
you the first to win.

How many of you will be able to complete the game by the end
of the year? (The game is a lot like the novel *Blackmail*.)
